Deep Thakur

Curriculum Vitae

deepthakur@imsc.res.in — Chennai, Tamil Nadu

PERSONAL DETAILS

Date of Birth: 30th April 2003
Nationality: Indian
Office Address: Office No. 113, New Building, Institute of Mathematical Sciences,
IV Cross Road, CIT Campus, Taramani, Chennai 600113, Tamil Nadu, India
Fax: +91-44-22541586

EDUCATION & EMPLOYMENT HISTORY

Integrated Ph.D. Student **August 2024 – Present**
Institute of Mathematical Sciences, Chennai
Advisor: Prof. Sanoli Gun
Master's Thesis: *On moments of Riemann zeta function* (Submitted)
Ph.D. Thesis: *On moments of L-functions* (In preparation)

B.Sc. in Mathematics **Completed 2024**
Smt. Chandibai Himathmal Mansukhani College

PUBLICATIONS

Preprints

[1] Deep Thakur (2026). *On a series related to the Möbius function.* arXiv preprint. arXiv:2610.23660 [math.NT].
[2] Deep Thakur (2026). *Lower Bounds for Moments of Automorphic L-functions.* arXiv preprint. arXiv:2609.32673 [math.NT].
[3] Sanoli Gun, Gaurav Kumar, and Deep Thakur (2026). *Lower Bounds for Moments of L-functions.* arXiv preprint. arXiv:2608.30061 [math.NT].

ACADEMIC ACTIVITIES

Talks Delivered

1. *On moments of Automorphic L-functions*, Mathematics Seminar, Harish-Chandra Research Institute (15th October, 2026).
2. *On moments of L-functions*, IMSc-CMI Number Theory Seminar (1st September, 2026).
3. *On real moments of Hurwitz zeta function*, Intercity Number Theory Seminar, IISER Tirupati (13th – 15th March, 2026).
4. *A remark on Bohr's inequality*, Institute of Mathematical Sciences, Chennai (10th December, 2025).
5. *On Brun-Titchmarsh Inequality*, Research Methodology Talk, Institute of Mathematical Sciences, Chennai (23rd May, 2025).
6. IIT JAM Problem Solving Workshop, D.G. Ruparel College, Mumbai (9th December, 2024).

Poster Presentations

1. *On real moments of Hurwitz zeta function*, AOWM x IPMU Workshop, Kavli Institute for the Physics and Mathematics of the Universe, Japan (5th – 6th March, 2026).
2. *On real moments of Hurwitz zeta function*, Japan-India Workshop on L-functions and Multiple Zeta Functions, Sophia University, Japan (1st – 4th March, 2026).

Conferences & Workshops Attended

- Intercity Chennai-Tirupati Conference, IISER Tirupati (13th – 15th March, 2026).
- AOWM X IPMU Workshop, Kavli Institute for the Physics and Mathematics of the Universe, Kashiwa (5th – 6th March, 2026).
- Japan-India Workshop on L-functions and Multiple Zeta Functions, Sophia University, Tokyo (1st – 4th March, 2026).
- Indo-European Conference on Mathematics, IISER Pune (12th – 16th January, 2026).
- Discussion Meeting on Number Theory and Combinatorics, Evolve Back, Coorg (Supported by Indian Academy of Sciences, Bengaluru) (30th November – 4th December, 2025).

- Annual Conference of IWM, IIT Patna (10th – 12th July, 2025).
- Number Theory Working Group Meeting, Institute of Mathematical Sciences, Chennai (27th – 31st March, 2025).

FELLOWSHIPS RECEIVED

- Fellowship for Integrated Ph.D., Institute of Mathematical Sciences, Chennai (2024).
- Fellowship for Master's and Ph.D., National Board of Higher Mathematics (2024) *(Did not avail).*

OTHER ACADEMIC ACTIVITIES

- Junior Mentor for IWM Research in Groups program titled *"Classical and Finite Multiple Zeta Values"*, organized by Sanoli Gun and Masanobu Kaneko.
- Interaction with summer research program students at the Institute of Mathematical Sciences, Chennai (May – June 2025).
- Participated in Madhava Mathematics Competition and selected for the Madhava Nurture Camp (2023 and 2024).
- Member of the organizing team of M-Joy 2024 (Math-Fest event) in Smt. Chandibai Himathmal Mansukhani College on 24th and 25th January, 2024.
- Member of the organizing team of Physics Fair 2022-2023 in Smt. Chandibai Himathmal Mansukhani College held on 28th February, 2023.
